## Earthquake Preparedness Form

Student Name(s): \_\_\_\_\_

We received the Earthquake and Disaster Plan information from CCS, and we declare that on \_\_\_\_\_ earthquake procedures and safety measures were discussed and taught. We also reviewed a disaster plan for our home. We have prepared an earthquake kit for each child named above.

Each family should have the items listed on the “**Can You Go It Alone for Three Days?**” section of the “**Ready to Ride It Our?**” brochure.

Individual Earthquake Kits for each child can be stored in a heavy-duty gallon sized Ziploc bag or small box and should contain enough supplies for 72 hours:

- One or more of the following foods: Canned tuna/chicken in water (self-opening cans), canned unsalted nuts, energy bars (Clif, etc.), or other pre-packaged foods.
- Medication your child would require in an emergency
- Flashlight with batteries stored separately
- Bottled water
