Field Trip Guidelines

1. When a field trip has a deadline for sign-up due to the necessity of planning, sign-up deadlines will be strictly adhered to. A waiting list may be formed in case a family/families need to cancel and space becomes available.
2. Please notify the person(s) in charge of the particular field trip, or Sarah Sheean if they cannot be reached, if for some reason you will not be able to attend. This way, if anyone is on the waiting list they will be able to take your place.
3. Field trips which require a payment should have checks made out to CCS, unless otherwise noted; please only one event per check to alleviate any confusion in the bookkeeping department.
4. CCS field trips are open to all CCS families, including grandparents and siblings unless otherwise noted. Each CCS family is responsible for their guests. Prices may vary for guests according to some field trip guidelines. Any extra fees that may be incurred should be included in the check made out to CCS by the member family.
5. All field trips are planned as parent participation trips. Your child may attend field trips with another CCS family if a **CCS Parental Consent** form is completed with an attached copy of your **Emergency Health/Medical Release** form, and it accompanies your child(ren) on the field trip. This form is included with your CCS paperwork for you to copy if/when you need one.
6. Refunds cannot be guaranteed for some field trips, so please make sure the times and dates will work for you before signing-up for any field trips.
7. Again, please be considerate of those planning the field trips and give them enough notice should you not be able to attend for any reason.
8. Please remember that you are responsible for your child(ren)'s behavior at all times. Please follow the rules of the facility being visited as well as the CCS **Code of Conduct**. Please do not allow your child(ren) to run around without supervision at the field trip location before and after the actual event begins and ends.
9. Remember, it is not only CCS that is being represented but homeschooling in general; not to mention the desire to honor the Lord in all that we say and do.
